>> About Ombudsman Charter East

Charter East was established in 1996. Charter East offers a unique environment with small class sizes and a dedicated, experienced team of close-knit teachers. Our school philosophy is that we are a school family. We make it our priority to welcome and embrace all students, and we are always looking for new members to join our family.

We challenge students academically, motivate them, guide them, nurture their talents, and do our best to keep them safe. We connect students to resources in the community, and provide a variety of after-school activities where they can enjoy time together.
