

School Tours

We encourage students and families to visit our schools! Student tours can be scheduled throughout the day with the Outreach Specialist or Graduate Intern. See our technology rich environment, view hybrid learning, Microsoft innovation, and career certification programs.

Parent Classroom Visits

We encourage parents to visit our classrooms, school, and meet with teachers. We ask parents to schedule an appointment with the Outreach Specialist and/or School Principal to ensure that state or district testing is not taking place during your visit.

Visitor Reminders

Video or Audio recordings are prohibited unless permission granted by the School Principal.

All visitors will need to register at the front desk and wear a visitor badge or sticker.
